A Break with Charity is a great book that takes place in 1692 Salem, New England. In this book the main character Susanna English faces a big bump in the road regarding witchcraft. Witchcraft was not a subject taken lightly in that time period; witchcraft would be dealt with by either trial, jail, or in a lot of cases death.

A Break With Charity Romance Fiction Stories

A Break With Charity Summary. Let's get spooky, Shmoopers. It's 1706 and our narrator Susanna English is in her old church. She's feeling pretty haunted by the past and we're about to learn why: this lass lived in Salem. Yep, the very Salem where the witch trials went down in 1692. The only reason Susanna is even back in her old church is because Ann Putnam, an evil girl, is about to apologize to the town.

Susanna English desperately wants to join the circle of girls who meet every week at the parsonage, but she doesn't realize the leader of the group, the malicious Ann Putnam, is about to set off a torrent of false accusations that will lead to the imprisonment and execution of countless innocent people–victims of a witch-hunt panic. “The author’s skillful manipulation of the conventions of the young-adult novel–particularly the rich exploration of being an outsider and going against the mainstream–makes this book a superb vehicle for examining the social dynamics of this legendary event.” –The Horn Book

While waiting for a church meeting in 1706, Susanna English, daughter of a wealthy Salem merchant, recalls the malice, fear, and accusations of witchcraft that tore her village apart in 1692.

An independent-minded young maid tells the story of social-climber Peggy Shippen and how she influenced Benedict Arnold’s betrayal of the Patriot forces. Revolutionary Philadelphia is brought to life as Becca seeks to find her “missing pieces” while exploring the complicated issues of the war between the impoverished independence men and the decadent British Tories. “This tale of treachery comes alive under [Rinaldi’s] pen.”--Kirkus Reviews

In the summer of 1859, fifteen-year-old Annie travels to the Maryland farm where her father, John Brown, is secretly assembling his provisional army prior to their raid on the United States arsenal at nearby Harpers Ferry. Reprint.

A young girl living in South Carolina during the American Revolution discovers the duplicity within herself and others.

Kidnapped from her home in Senegal and sold as a slave in 1761, a young girl is purchased by the wealthy Wheatley family in Boston. Phillis Wheatley—as she comes to be known—has an eager mind and it leads her on an unusual path for a slave—she becomes America’s first published black poet. “Strong characterization and perceptive realism mark this thoughtful portrayal.”--Booklist

Sixteen-year-old Jem struggles to maintain the status quo at home in Trenton, New Jersey, when the family men join the war for independence. There are signs of rebellion in the Emerson household several years before the actual American Revolution hits in 1776! Brought up in a relatively liberal household, Jemima Emerson is quite a challenge for her tutor, John Reid, who is known as a Tory with strong ties to England. How could Jem's parents be friends with a man who opposes American freedom? Jem longs for freedom on every level, in the home and her homeland--and John represents the forces that restrict her. Jem and her family soon find themselves fighting for freedom in whatever ways they can in the Revolutionary War. Before long, Jem discovers that there is much more to Mr. Reid than she ever imagined. Her feelings about him change when Jem realizes that John shares her love of freedom--and will risk his life to defend it.

“Carefully researched and lovingly written, Rinaldi’s latest presents a girl indentured to John and Abigail Adams during the tense period surrounding the 1770 Massacre. . . . Fortuitously timed, a novel that illuminates a moment from our past that has strong parallels to recent events. Bibliography.”--Kirkus Reviews

When I was four and my daddy left, I cried, but I understood. He had become part of the Gone. Oney Judge is a slave. But on the plantation of Mount Vernon, the beautiful home of George and Martha Washington, she is not called a slave. She is referred to as a servant, and a house servant at that -- a position of influence and respect. When she rises to the position of personal servant to Martha Washington, her status among the household staff -- black or white -- is second to none. She is Lady Washington’s closest confidante and for all intents and purposes, a member of the family -- or so she thinks. Slowly, Oney’s perception of her life with the Washingtons begins to crack as she realizes the truth: No matter what it’s called, it’s still slavery and she’s still a slave. Oney must make a choice. Does she stay where she is -- comfortable, with this family that has loved her and nourished her and owned her since the day she was born? Or does she take her liberty -- her life -- into her own hands, and like her father, become one of the Gone? Told with immense power and compassion, Taking Liberty is the extraordinary true story of one young woman’s struggle to take what is rightfully hers.

A “suspenseful [and] exciting” tale of a young woman’s battle to save her beloved horse during the Revolutionary War, inspired by a true story (Booklist). The Revolutionary War is raging. Food and firewood are scarce, and Tempe Wick is worried that she will not be able to care for her ailing mother and her family and still maintain their farm in New Jersey, where troops are now camped. Her ability to hold on to her world is further threatened when a mutinous soldier demands that she lend him her beloved horse, Colonel, in exchange for keeping her brother’s rum-smuggling activities secret from the authorities. This dramatic historical novel is based on a real event that has been popularized into American legend. “Crammed with authentic detail.” --Kirkus Reviews A New York Public Library Book for the Teen Age
