All that dragons meant to the bondboys was money. "First laid, first paid," indeed. Heart's Blood was more than just a brood hen, more than just a mighty Pit fighter. She was/his other self, he supposed. He went into his room, grabbed the blanket from the bed, and went back to the barn. Jane Yolen, Dragon's Blood

The year is 1917. Following the sudden death of his Professor, a young man and his two companions are approached by a strange man who gives them a book to safeguard. This book, the Imaginarium Geographica, is the reason the Professor was killed, and now, they too are in mortal danger. Chased by the ferocious Wendigo, half-man half-werewolf creatures, the three companions seek refuge on a ship - a ship that leads them to the extraordinary lands of myth and legend mapped in the precious book they carry. As their adventure unfolds we learn that the friends are in fact C.S Lewis, J.R.R Tolkien and Charles Williams - and as they discover that events in the known world mirror those in the imaginary realm, they come to realise the importance of the Imaginarium Geographica , and if not protected, there will be no peace from the war that rages in our world.

Master storyteller Jane Yolen and celebrated fantasy artist Rebecca Guay (Swamp Thing; Magic: The Gathering) weave a textured and lyrical tale of adventure, homelands, and heroism the hard way. Two hundred years ago, humans drove the dragons from the islands of May. Now, the last of the dragons rises to wreak havoc anew - with only a healer's daughter and a kite-flying would-be hero standing in its way.

An inept wizard-in-training is the only one who can save his classmates from the terrible sorcery that threatens to devour their magical school Acclaimed master fantasist Jane Yolen imagines an academic world of wonders where paintings speak, walls move, monsters are made real, and absolutely anything can happen!as she introduces readers to a hero as hapless as the legendary Merlin is powerful. It was Henry's dear ma who decided to send him off to Wizard's Hall to study sorcery, despite the boy's apparent lack of magical talent. He has barely stepped through the gates of the magnificent school when he is dubbed Thornmallow (lprickly on the outside, squishy within). Still, regardless of his penchant for turning even the simplest spell into a disaster, Thornmallow's teachers remain kind and patient, and he soon has a cadre of loyal, loving friends. But there is something that no one is telling the boy: As the 113th student to enroll in the wondrous academy, Thornmallow has an awesome and frightening duty to fulfill!and failure will mean the destruction of Wizard's Hall and everyone within its walls.
