BDSM fantasy comix. Celine is a horny young woman who's looking for a real man... and finds one, a Master who turns her into a full time slave. He binds her, torments her, and uses her... and she discovers that she loves it. He sends her to a special "beauty salon" for a kinky makeover. Then he rents her out to swinging couples and sends her to a sex shop to trade her services for kinky toys. Finally, he sells her to a depraved couple (whose twisted tastes we'll probably see in her next adventure). These are sexy comix from Europe, explicitly rendered, leaving nothing to the imagination.

Is their relationship strong enough to weather a sudden storm of sibling rivalry?"--Publisher's web site.
