This book came from experiences I have gone through in my Christian walk. I

# Download Free Hp BI460c G7 User Guide

became a Christian in 1993 and soon enough I came to know that if I were to enjoy my Christian life, I had to renew my mind with the Word of God. I also came to realize that, the environment that I grew up in and the developed mind set over the years, were directing how I related

# Download Free Hp BI460c G7

to God and His Word.

To a larger extent, this was always in conflict with the Word of God. I would get frustrated when my prayers were not answered how and when I wanted them to. I would begin to ask myself questions such as; "Is God punishing me for something? Did God

really hear my

prayers? How did so  
and so receive what I  
have been asking for  
months?" But as I  
continued to study  
and mature in the  
Word of God, things  
became clearer.

Sometimes a believer  
will struggle with  
questions, but fear to  
ask them, fearing  
being judged or

presuming they are of little or no faith.

Throughout my ministry, I have dedicated myself to encouraging people to overcome their fears in order to reach their God given potential. I believe that all of us are capable of living a full life, but misinterpretation of what is a full life

creates frustration.

This book is a compass to the person who is trying to figure out where their Christian life is and where it is heading. I present truths in this book in a simple and understandable language without diluting the intended message. I am
