In addition to being a complete study guide, this book is designed as a reference book for both during and after the study process. The CD-ROM contains interactive tests hyperlinked to the text.

BASIC APPROACH PLEASE PROVIDE COURSE INFORMATION

Cowboy stories and movies about the Wild West are full of amazing characters. Yet many of the lawmen we think of as heroes were anything but -- some were violent scoundrels and outlaws themselves. Among all the lawmen of the frontier, one man stands out as a true hero: Bass Reeves. In his day, Bass Reeves was the most successful federal marshal in the United States. True to the mythical code of the West, he never drew his gun first. He rounded up hundreds of outlaws and was shot at countless times but was never hit. Bass Reeves was born into slavery. And though the laws of his country enslaved him and his mother, when he became a free man he served the law with such courage and honor that he was known and respected all over the Indian Territory. Gary Paulsen's dramatic account of the life of Bass Reeves, through stories both real and imagined, makes him come alive as a boy and a man. Listeners will truly understand why he became a legend.

Includes more than 300 practice exam questions, score analysis, timed exams, and answers; searchable electronic version of the book in HTML on CD-ROM in back pocket.

Designing and implementing Web sites Using FrontPage 98 (exam #70-055) doubles as one of the core options for MCP+Site Builder and as an elective for MCSD. This title covers all the necessary skill areas, provides practice exam questions, and covers all of the curriculum objectives of the exam.
