"Simple text paired with themed photos invite the reader to learn to speak Mandarin Chinese"--Provided by publisher.

This Mandarin picture dictionary covers the 1000 most useful Mandarin Chinese words and sentences. Each word and sentence is given in Chinese characters with Hanyu Pinyin pronunciation and English definition. The words are grouped into 37 themes or topics. Each theme has 25 to 35 words and 5 to 8 sentences and is richly illustrated with color photographs. Online audio recordings by native Mandarin speakers of all the vocabulary and sentences comes free with the ebook. A brief introduction to Chinese pronunciation and tones is included, and indexes at the back allow you to quickly look up any of the words or characters in the book. Since this dictionary covers all the words for the AP Chinese Language and Culture Exam as well as the Chinese HSK Levels 1 & 2, it is an ideal test prep resource for a visual learner.

Numbered photographs offer the English and Haitian Creole words for people, housing,

The OPD Second Canadian Edition

English/Spanish is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Spanish, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Spanish speakers

the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Spanish is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

Provides over one thousand entries for terms in English and Chinese, with all Chinese words written in both Chinese characters and pinyin.
