Wrath | The follow-up to the Wall Street Journal bestseller Outrage.Those who hunt monsters must be careful not to become monsters themselves.In another life, before human traffickers murdered her husband and stole her children, Faith McMann was a wife, mother, and teacher.

Wrath by T. R. Ragan - Books-A-Million

Outrage starts off where Furious, the first book in the Faith McMann trilogy, ended. These really should be read in order. Faith's children, Hudson and Lara, have been kidnapped and are believed to be in the hands of a human trafficking ring.

Schoolteacher Faith McCann, the heroine of this searing first in a new crime series from Ragan (Evil Never Dies), returns one afternoon to her Sacramento, Calif., home to discover the members of her family bound and gagged: her husband, Craig, and their children, 10-year-old Lara and nine-year-old Hudson. The bad guys take the kids, slit Craig's throat, and leave Faith for dead after a vicious beating. After a stint in a drug-induced coma and

intensive care, Faith finds new purpose in searching for Lara and Hudson and their captors. Frustrated by the slowness of the official investigation, Faith assaults a police detective and winds up in court-mandated anger control classes, where under the sobriquet "Furious" she meets "Rage" and "Beast." Rage and Beast become unlikely allies in her effort to penetrate the world of human trafficking, the evils of which are highlighted in chapters revealing what happened to Lara and Hudson. Readers with strong stomachs will eagerly await the next installment.

The happy life Faith McMann knew as a wife, mother, and teacher was destroyed when vicious criminals murdered her husband, kidnapped her children, and left her for dead. After paralyzing grief, fear, and despair, there was nothing left for her to feel...except fury. But striking a staggering blow against a brutal ring of human traffickers was just the beginning of her uphill battle. Though her daughter remains missing and her son is lost in the wilderness, Faith's relentless efforts have reunited some children with their families. They've also made her and the rest of her family the targets of a sadistic crime boss. But Faith has learned plenty about survival in the lawless underworld she's storming. And she's forged an unbreakable bond with two no-holds-barred allies in the war against evil. As they dodge assassins and take down predators, Faith travels deeper into the heart of darkness, determined to rescue her children at any cost.

The follow-up to the Wall Street Journal bestseller Outrage. Those who hunt monsters must be careful not to become monsters themselves. In another life, before human traffickers murdered her husband and stole her children, Faith McMann was a wife, mother, and teacher. Now she has become Furious, a merciless avenger on a deadly mission to retrieve her young son and daughter, no matter the cost. Aided by unlikely but steadfast allies, the giant Beast and fragile Rage, Faith plunges ever deeper into a sickening underworld of sexual exploitation and slavery with steel-forged determination and righteous anger. In this powerful, suspenseful conclusion to the Faith McMann trilogy, Faith is haunted by questions: Even if her children are recovered, will they be broken beyond repair? What terrible sacrifices will their rescue require? What are the limits of loyalty and love in a world that preys on innocents? And after her brutal awakening to the darkest aspects of human nature, what will remain of her own self?

A string of copycat crimes leads a reporter down a terrifying path in a heart-stopping thriller by New York Times bestselling author T.R. Ragan. Crime reporter Sawyer Brooks still grieves for the family she and her two sisters never had. Raised in a house of horrors, they continue to fight through the trauma--releasing their rage by seeking justice for those who are just as vulnerable as they were. When a little girl's bones are unearthed in Sacramento's Land Park and twelve-year-old Riley Addison disappears, solving these cases becomes an obsession for Sawyer--one that puts her job at risk. Yet she can't turn back, and the deeper Sawyer's investigation goes, the darker it gets. A psychopath is on the loose and has been trolling Sacramento for years--hiding in plain sight behind a motherly facade. The more Sawyer persists, the closer she gets to a disturbing place reminiscent of her own terrorized childhood. With time running out, Sawyer will risk anything to save Riley from the dark. But the killer will do anything to keep her there.

Her own past could be a reporter's biggest story in this twisting thriller about murder and family secrets by the New York Times bestselling author T.R. Ragan. Plagued by traumatic childhood memories, crime reporter Sawyer Brooks still struggles to gain control of her rage, her paranoia, and her life. Now, after finally getting promoted at work, she is forced to return home and face her past. River Rock is where she'd been abandoned by her two older sisters to suffer alone, and in silence, the unspeakable abuses of her family. It's also where Sawyer's best friend disappeared and two teenage girls were murdered. Three cold cases dead and buried with the rest of the town's secrets. When another girl is slain in a familiar grisly fashion, Sawyer is determined to put an end to the crimes. Pulled back into the horrors of her family history, Sawyer must reconcile with her estranged sisters, who both have shattering memories of their own. As Sawyer's investigation leads to River Rock's darkest corners, what will prove more dangerous--what she knows of the past or what she has yet to discover?

The biggest story of a crime reporter's career could be her last as fury, vengeance, and justice collide in this breathtaking thriller by New York Times bestselling author T.R. Ragan. Some call it murder. Others, karma. The female vigilantes dubbed The Black Wigs call it justice. The victims? Sexual predators who never paid for their sins. For three months, The Black Wigs byline has belonged to Sawyer Brooks, a crime reporter still struggling with her own demons. But for Sawyer, there's suddenly more to the story than just catching the dark web avengers. Copycat vigilantes are cornering the unchecked abusers of Sacramento and uploading the men's abject fear to social media. The trending insanity isn't making Sawyer's job any easier. Neither is a new murder--another predator, but one who doesn't fit so neatly into The Black Wigs' agenda. Something even more sinister is at play. As she follows every lead, someone with the answer is following her, determined to bring Sawyer to her knees. Because soon enough, for both Sawyer and a killer, the truth she's been looking for will be a punishing revelation.

PI Jessie Cole is about to discover that there's no revenge too wicked as New York Times bestselling author T.R. Ragan's gripping series continues. When

you search for the missing, there's no telling what you'll find. PI Jessie Cole learned that painful truth firsthand when her sister disappeared. Now a new case will test Jessie and Ben once again. Owen Shepard, the public face of one of the country's biggest health insurance companies, has become the target of a vengeful father. The man blames Shepard for his child's death and plans to make the CEO know what it's like to live with a broken heart--and watch others die. After killing two employees, the desperate father kidnaps Shepard's daughter. Tasked with finding her, Jessie and crime reporter Ben Morrison are running out of time to save her. Meanwhile, Ben is still seeking insight into the man he used to be before a car crash erased his memories. And each discovery is leading Jessie and him down a frightening road. What they find could scar both of them forever.

Family man or deranged killer? It's for fearless PI Jessie Cole to find out. At any cost. Ever since a car accident left reporter Ben Morrison with amnesia, he's been try-ing to rebuild a future as he puts together the pieces of his past. With the help of PI Jessie Cole, he's getting closer. But few who remember Ben's troubled childhood want to talk. And those who do--including his father, imprisoned for a shocking crime--are stirring disturbing memories given up for dead. Then Jessie is sidetracked by a surveillance request from a suspicious husband. An ordinary case, until the cheating wife and lover are found murdered. They bear the trademark wounds of an elusive serial killer who's now leading Jessie down a chilling path--one that's about to put a dangerous twist in the search for Ben's identity. To discover the truth, Jessie must put more at risk than she ever feared. Because there are more secrets to Ben's past, than she--or even Ben--ever imagined.

In this page-turner of a thriller by bestselling author T.R. Ragan, unlikely partners PI Jessie Cole and crime reporter Ben Morrison search for clues to a mystery buried in their own pasts--only to discover that sometimes the truth is better off buried. Ten years ago, PI Jessie Cole and reporter Ben Morrison each suffered a tragedy that changed their lives--and now these two strangers are about to share a nightmare. For Jessie, who makes her living finding missing persons, no case has consumed her more than the disappearance of her younger sister, Sophie. But left alone to raise Sophie's daughter, she realizes that solving the case has become an unhealthy obsession. For Ben, a horrific car accident resulted in scars both physical and emotional--and amnesia that has made his life a mystery. But curiously, out of his shattered memories, there's one person he recognizes without a doubt: Jessie's sister. He just doesn't know why. Yet. But Sophie isn't the only phantom drawing Jessie and Ben together. An elusive serial murderer known as the Heartless Killer has reemerged from the shadows. His next move will cut even deeper into Jessie's worst fears. And for Ben, what happens this time is going to be unforgettable.
