The Peugeot 106 is a supermini produced by French automaker Peugeot between 1991 and 2003. Launched in September 1991, it was Peugeot's entry level offering throughout its production life, and was initially sold only as a three door hatchback, with a five door hatchback joining the range in the beginning of 1992. Production ended in July 2003.

The Honda Civic is one of the most sought after cars in the modifying world. It has a massive following worldwide due to the great Japanese mechanics, and the potential to make what is essentially a dull car look great. So many looks, so many products - including products which are sometimes cheaper than standard parts replacements! But what if you have any problems - ill-fitting kits, no instructions, or instructions written in Japanese? Haynes can help with this new full colour guide to DIY modifying.

Written from hands on experience and based on the stripdown and rebuild of a Peugeot 106 using
