Sacred Fire: Torah from the Years of Fury (1939-1942) consists of commentaries on each weekly Torah portion. It also includes a number of lengthy sermons delivered on the major Jewish Festivals as well as a few discourses alluding to people loved and lost. Because writing is not permitted on the Sabbath, these 'words of Torah' were transcribed from memory, after the Sabbath or festival had ended.

Sacred Fire: Torah from the Years of Fury (1939-1942) consists of commentaries on each weekly Torah portion. It also includes a number of lengthy sermons delivered on the major Jewish Festivals as well as a few discourses alluding to people loved and lost.

Sacred Fire: Torah from the Years of Fury (1939-1942) consists of commentaries on each weekly Torah portion. It also includes a number of lengthy sermons delivered on the major Jewish Festivals as well as a few discourses alluding to people loved and lost. Because writing is not permitted on the Sabbath, these "words of Torah" were transcribed from memory, after the Sabbath or festival had ended. Although the pages of Sacred Fire are not stained with the names of its author's tormentors, there are numerous references to historical events through which parallels can be drawn. Rabbi Shapira often refers, for example, to the binding of Isaac and the martyrdom of Rabbi Akiba. Sacred Fire forms a religious, spiritual response to the Holocaust that speaks from the heart of the darkness. In doing so, it may well form the basis for what could one day become Judaism's formal liturgical response to the events that occurred during those years of fury.

The Holy Fire: The Teachings of Rabbi Kalonymus Kalman Shapira, the Rebbe of the Warsaw Ghetto is a journey into the mind and spirit of a sublime hasidic master in his moments of joy and tranquillity, and later, in his time of personal and communal catastrophe. The reader takes a voyage into the rich and variegated world of twentieth-century Hasidism in Poland, a world destroyed by the Holocaust. This is a volume inspired by a deeply sensitive and poetic individual of faith who is grappling with an unfolding disaster. While the Holocaust has engendered a voluminous body of religious and philosophical writings attempting to probe the issues this unfathomable period raises in all their enormity, virtually all were written after the war, when a modicum of distance and reflection is possible. Contemporaneous diaries and chronicles written as the events were happening concentrate on the descriptive accounts of the horrors. The Holy Fire, however, engages a sustained theological reflection and stands alone as an extended religious response from within the heart of darkness itself while the catastrophe takes place, and is, for this reason, an extraordinary document and an astonishing personal achievement.

For Davita Chandal, growing up in New York in the 1930s and '40s is an experience of indescribable joy—and unfathomable sadness. Her loving parents, both fervent radicals, fill her with the fiercely bright hope for a new, better world. But the deprivations of war and the Depression take their ruthless toll. And Davita, unexpectedly, finds in the Jewish faith that her mother had long ago abandoned both a solace to her questioning inner pain and a test of her budding spirit of independence. To her, life's elusive possibilities for happiness, for fulfillment,

for decency, become as real and resonant as the music of the small harp that hangs on her door, welcoming all guests with its sweet, gentle tones. Praise for Davita's Harp "Rich . . . enchanting . . . [Chaim] Potok's bravest book."—The New York Times Book Review "It is an enormous pleasure to sink into such a rich . . . solidly written novel. The reader knows from the first few pages that he is in the hands of a sure professional who won't let him down."—People "Engrossing . . . Filled with a host of richly drawn characters. Potok is a master storyteller."—Chicago Tribune "Gripping and intriguing . . . A well-told tale that needed telling."—The Philadelphia Inquirer

When Vanessa Ochs begins to suspect her various physical ailments are due to her leading an ?unsanctified life,? she decides to travel to Jerusalem with her family to explore the sacred books of Judaism. Armed with a list of institutions and the names of women who specialize in teaching these sacred texts, Ochs sets out on a journey of discovery. She forges a personal relationship with her mentors, women who are determined to disprove the claim of Rabbi Eliezer ben Hyrcanus: ?The words of the Torah should be burnt rather than taught to women.? As her year in Jerusalem draws to a close, Ochs begins to find a way to reconcile her feminist views with her quest to live a life according to laws shaped by the ?sexist? views of traditional Judaism. Part scholarly investigation, part anecdotal memoir, *Words on Fire* is an accessible portrait of a remote world and a fascinating, firsthand account of the clash between feminism and Judaism.

*Shoah and Torah* systematically takes up the task of reading the Shoah through the lens of the Torah and the Torah through the lens of the Shoah. The investigation rests upon (1) the metaphysical standing that the Nazis ascribed to the Torah, (2) the obliteration of the Torah in the extermination of the Jews, (3) the significance of the Torah for an understanding of the Shoah, and (4) the significance of the Shoah for an understanding of the Torah. The basis for the inquiry lies not in the content of a certain belief but in the categories of a certain mode of thought. Distinct from all other studies, this book is grounded in the categories of Jewish thought and Judaism—the categories of creation, revelation, and redemption—that the Nazis sought to obliterate in the Shoah. Thus, the investigation is itself a response to the Nazi project of the extermination of the Jews and the millennial testimony of the Jews to the Torah.

An overview of the key themes and major theoretical developments which continue to permeate the activity of writing about the history of the Holocaust.

Sixty years after it ended, the Holocaust continues to leave survivors and their descendants, as well as historians, philosophers, and theologians, pondering the enormity of that event. This book explores how inquiry about the Holocaust challenges understanding, especially its religious and ethical dimensions. Debates about God's relationship to evil are ancient, but the Holocaust complicated them in ways never before imagined. Its massive destruction left Jews and Christians searching among the ashes to determine what, if anything, could repair the damage done to tradition and to theology. Since the end of the Holocaust, Jews and Christians have increasingly sought to know how or even whether theological analysis and reflection can aid in comprehending its aftermath. Specifically, Jews and Christians, individually and collectively, find themselves more and more in the position of needing either to rethink theodicy -- typically understood as the vindication of divine justice in the face of evil -- or to abolish the

## Download File PDF Sacred Fire Torah From The Years Of Fury 1939 1942 Paperback

concept altogether. Writing in a format that creates the feel of dialogue, the contributors to *Fire in the Ashes* confront these and other difficult questions about God and evil after the Holocaust. This book -- created out of shared concerns and a desire to investigate differences and disagreements between religious traditions and philosophical perspectives -- represents an effort to advance meaningful conversation between Jews and Christians and to encourage others to participate in similar inter- and intrafaith inquiries. The contributors to *Fire in the Ashes* are members of the Pastora Goldner Holocaust Symposium. Led since its founding in 1996 by Leonard Grob and Henry F. Knight, the symposium's Holocaust and genocide scholars -- a group that is interfaith, international, interdisciplinary, and intergenerational -- meet biennially in Oxfordshire, England.

*Piety and Rebellion* examines the span of the Hasidic textual tradition from its earliest phases to the 20th century. The essays collected in this volume focus on the tension between Hasidic fidelity to tradition and its rebellious attempt to push the devotional life beyond the borders of conventional religious practice. Many of the essays exhibit a comparative perspective deployed to better articulate the innovative spirit, and traditional challenges, Hasidism presents to the traditional Jewish world. *Piety and Rebellion* is an attempt to present Hasidism as one case whereby maximalist religion can yield a rebellious challenge to conventional conceptions of religious thought and practice.
