A thrilling tale of adventure, romance, and one girl’s unyielding courage through the darkest of nightmares. Epidemics, floods, droughts—for sixteen-year-old Lucy, the end of the world came and went, taking 99% of the population with it. As the weather continues to rage out of control, and Sweepers clean the streets of plague victims, Lucy survives alone in the wilds of Central Park. But when she’s rescued from a pack of hunting dogs by a mysterious boy named Aidan, she reluctantly realizes she can’t continue on her own. She joins his band of survivors, yet a new danger awaits her: the Sweepers are looking for her. There’s something special about Lucy, and they will stop at nothing to have her.

Come And Take It The worst-case scenario has come to pass: a nuclear strike has crippled America. Gangs, looters, and vandals have seized the streets. The decent few can only pray for a leader to protect them. Luckily, one of the survivors is Ben Raines. Rebel mercenary, retired soldier, and tireless patriot, Raines is searching for his missing family in the aftermath of this devastating war. His relentless pursuit through the ruined cities of the west unites him with the civilians of the Resistance forces. They become his recruits for a revolutionary army dedicated to rebuilding America. Then comes the final outrage: an armed attack by government forces. With the fate of America’s New Patriots hanging in the balance, Raines vows—government be damned—to survive, find his family, and lead this once great nation out of the ashes.

BOOK ONE IN THE NEW YORK TIMES BESTSELLING SERIES Instant New York Times bestseller From #1 New York Times bestselling author Sabaa Tahir Amazon’s Best Young Adult Book of 2015 People’s Choice Award winner - Favorite Fantasy Bustle’s Best Young Adult Book of 2015 “This novel is a harrowing, haunting reminder of what it means to be human -- and how hope might be kindled in the midst of oppression and fear.” -- The Washington Post “An Ember in the Ashes could launch Sabaa Tahir into JK Rowling territory...It has the addictive quality of The Hunger Games combined with the fantasy of Harry Potter and the brutality of Game of Thrones.”--Public Radio International “An Ember in the Ashes glows, burns, and smolders—as beautiful and radiant as it is searing.”--Huffington Post “A worthy novel - and one as brave as its characters.” --The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire’s impoverished backstreets. They do not challenge the Empire. They’ve seen what happens to those who do. But when Laia’s brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire’s greatest military academy. There, Laia meets Elias, the school’s finest soldier—and secretly, its most unwilling. Elias wants only to be free of the tyranny he’s being trained to enforce. He and Laia will soon realize that their destinies are intertwined—and that their choices will change the fate of the Empire itself.

“Without a doubt. . . one of the most intense suspense writers around.”—Chicago Tribune “[Tami Hoag] demonstrates just why she has become one of the hottest names in the suspense game. Bottom line: Leaves competition in the dust.”—People He performs his profane ceremony in a wooded Minneapolis park, anointing his victims, then setting the bodies ablaze. He has already claimed three lives, and he won’t stop there. Only this time there is a witness. But she isn’t talking. Enter Kate Conlan, former FBI agent turned victim/witness advocate. Not even she can tell if the reluctant witness is a potential victim or something more troubling still. Her superiors are interested only because the latest victim may be the daughter of Peter Bondurant, an enigmatic billionaire. When Peter pulls strings, Special Agent John Quinn gets assigned to the case. But the FBI’s ace profiler of serial killers is the last person Kate wants to work with, not with their troubled history. Now she faces the most difficult role of her career—and her life. For she’s the only woman who has what it takes to stop the killer. . . . and the one woman he wants next. “You’ll want to lock the doors while you’re reading.”—Minneapolis Star Tribune “An up-all-night read.”—The Detroit News

Drawn into an alien conflict when his ship is taken over and pitted against a dangerous ancient enemy, Colin MacLntyre takes on the task of defeating a group of immortals who have been secretly ruling the Eanth.

Focusing on the ninth to the fourteenth centuries, this study analyzes the ways in which relics functioned as material media for the interactions of Buddhist clerics, the imperial family, lay aristocrats, and warrior society and explores the multivocality of relics by dealing with specific historical examples. Brian Ruppert argues that relics offered means for reinforcing or subverting hierarchical relations. The author’s critical literary and anthropological analyses attest to the prominence of relic veneration in government, in lay practice associated with the maintenance of the imperial line and warrior houses, and in the promotion of specific Buddhist sects in Japan.

Reproduction of the original: Out of the Ashes by Ethel Watis Mumford

Saying Goodbye is a resource book for anyone who is planning a funeral. You may be a family member or a friend of someone who has died. You may be planning your own funeral. You may arrange and conduct funerals professionally. Here you will find an abundance of words and ideas for celebrating a life in ways that are personal and honest. There are resources that do not assume a faith commitment, as well as resources that reflect Christian belief.

I wrote this for those burying love stories that once had so much life in them, stories that are hard to let go of; yet, the funeral must go on.
