Hunter S. Thompson was the creator of a new kind of journalism and invented a new style of writing. Gonzo was a wild often drug- and drink-fuelled adventure, in which Thompson examined the politics, people, and values of his times. In the three great collections of Gonzo writings, "The Great Shark Hunt", "Generation of Swine", and "Songs of the Doomed", he dissected the 60s, 70s, and 80s with violence, wit, anger, and occasional compassion.

~~The Gonzo Papers Anthology: Thompson, Hunter S ...~~

Gonzo refers to the irreverent journalistic style Mr Thompson developed including first-person narrative and partisanship. The anthology shows Mr Thompson as a budding stringer for local papers and as he savours his first taste of fame with the publication in 1967 of Hell's Angels: The Strange and Terrible Saga of the Outlaw Motorcycle Gangs for which he lived and rode with the bikers during a year.

Collected together for the first time, The Gonzo Papers Anthology is an indispensable compendium of decadence, depravity and a remarkably skewed common sense.

First published in 1990, Songs of the Doomed is back in print -- by popular demand! In this third and most extraordinary volume of the Gonzo Papers, Dr. Hunter S. Thompson recalls high and hideous moments in his thirty years in the Passing Lane -- and no one is safe from his hilarious, remarkably astute social commentary. With Thompson's trademark insight and passion about the state of American politics and culture, Songs of the Doomed charts the long, strange trip from Kennedy to Quayle in Thompson's freewheeling, inimitable style. Spanning four decades -- 1950 to 1990 -- Thompson is at the top of his form while fleeing New York for Puerto Rico, riding with the Hell's Angels, investigating Las Vegas sleaze, grappling with the "Dukakis problem," and finally, detailing his infamous lifestyle bust, trial documents, and Fourth Amendment battle with the Law. These tales -- often sleazy, brutal, and crude -- are only the tip of what Jack Nicholson called "the most baffling human iceberg of our time." Songs of the Doomed is vintage Thompson -- a brilliant, brazen, bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years.

'Well . . .yes, and here we go again! Dr Hunter S. Thompson Indeed we do. Here, in one chunky volume, is the best of gonzo. From Private Thompson in trouble with the air force, to the devastating portrait of the ageing Muhammad Ali. Taking in the Kentucky Derby, Freak Power in the Rockies, Nixon in '68, McGovern in '72, Fear and Loathing at the Watergate, Jimmy Carter and the Great Leap of Faith and much more. An indispensable compendium of decadence, depravity and horse-sense. ` Hunter Thompson elicits the same kind of admiration one would feel for a streaker at Queen Victoria's

funeral? William F. Buckley `No other reporter reveals how much we have to fear and loathe, yet does it so hilariously. Now that the dust of the sixties has settled, his hallucinated vision strikes one as having been the sanest? Nelson Algren

The Gonzo memoir from one of the most influential voices in American literature, *Kingdom of Fear* traces the course of Hunter S. Thompson's life as a rebel—from a smart-mouthed Kentucky kid flaunting all authority to a convention-defying journalist who came to personify a wild fusion of fact, fiction, and mind-altering substances. Brilliant, provocative, outrageous, and brazen, Hunter S. Thompson's infamous rule breaking—in his journalism, in his life, and under the law—changed the shape of American letters, and the face of American icons. Call it the evolution of an outlaw. Here are the formative experiences that comprise Thompson's legendary trajectory alongside the weird and the ugly. Whether detailing his exploits as a foreign correspondent in Rio, his job as night manager of the notorious O'Farrell Theatre in San Francisco, his epic run for sheriff of Aspen on the Freak Power ticket, or the sensational legal maneuvering that led to his full acquittal in the famous 99 Days trial, Thompson is at the peak of his narrative powers in *Kingdom of Fear*. And this boisterous, blistering ride illuminates as never before the professional and ideological risk taking of a literary genius and transgressive icon.

A collection of essays by Hunter Thompson that chart the high and low moments of his thirty-year career as a journalist.

Provides intimate details about and insights into the life of the eccentric writer and subject of *The Gonzo Way* through a collection of stories and interviews telling of Thompson's many unique experiences, including receiving a beating from the Hells Angels and running for the position of sheriff of Aspen. Original.

Every book tells a story . . . And the 70 titles in the Pocket Penguins series are emblematic of the renowned breadth and quality that formed part of the original Penguin vision in 1935 and that continue to define our publishing today. Together, they tell one version of the unique story of Penguin Books. High priest of hedonism and godfather of gonzo journalism, Hunter S. Thompson was renowned for his counterculture masterpiece *Fear and Loathing in Las Vegas*, which described his chemical-addled adventures in 1970s America. Taken from Thompson's brilliantly entertaining autobiography, *Kingdom of Fear* - the last book published before his death earlier this year - these pieces provide a hilarious but now also painful insight into the life and the mind of a true literary outlaw.

Traces the author's friendship and working relationship with Hunter S. Thompson, discussing their collaborative efforts through Gonzo Journalism while covering such subjects as the civil rights movement and Watergate, in a personal account that also evaluates Thompson's 2005 suicide. 50,000 first printing.

"Hunter S. Thompson is to drug-addled, stream-of-consciousness, psycho-political black humor what *Forrest Gump* is to idiot savants." --*The Philadelphia Inquirer* Since his 1972 trailblazing opus, *Fear and Loathing on the Campaign Trail*, Hunter S. Thompson has reported the election story in his truly inimitable, just-short-of-libel style. In *Better than Sex*, Thompson hits the dusty trail again--without leaving home--yet manages to deliver a mind-bending view of the 1992 presidential campaign--in all of its horror, sacrifice, lust, and dubious glory. Complete with faxes sent to and received by candidate Clinton's top aides, and 100 percent pure gonzo screeds on Richard Nixon, George Bush, and Oliver North, here is the most true-blue campaign tell-all ever penned by man or beast. "[Thompson] delivers yet another of his trademark cocktail mixes of unbelievable tales and dark observations about the sausage grind that is the U.S. presidential sweepstakes. Packed with egocentric anecdotes, musings and reprints of memos, faxes and scrawled handwritten notes (Memorable." --*Los Angeles Daily News* "What endears Hunter Thompson to anyone who reads him is that he will say what others are afraid to ([He] is a master at the unlikely but invariably telling line that sums up a political figure (.In a year when all politics is--to much of the public--a tendentious and pompous bore, it is time to read Hunter Thompson." --*Richmond Times-Dispatch* "While Tom Wolfe mastered the technique of being a fly on the wall, Thompson mastered the art of being a fly in the ointment. He made himself a part of every story, made no apologies for it and thus produced far more honest reporting than any crusading member of the Fourth Estate (. Thompson isn't afraid to take the hard medicine, nor is he bashful about dishing it out (.He is still king of beasts, and his apocalyptic prophecies seldom miss their target." --*Tulsa World* "This is a very, very funny book. No one can ever match Thompson in the vitriol department, and virtually nobody escapes his wrath." --*The Flint Journal*

Few American lives are stranger, more action-packed, or wilder than that of Hunter S. Thompson. Born a rebel in Louisville, Kentucky, Thompson spent a lifetime channeling his energy and insight into such landmark works as *Fear and Loathing in Las Vegas* - and his singular and provocative style challenged and revolutionized writing. Now, for the first time ever, Jann Wenner and Corey Seymour have interviewed the Good Doctor's friends, family, acquaintances and colleagues and woven their memories into a brilliant oral biography. From Hell's Angels leader Sonny Barger to Ralph Steadman to Jack Nicholson to Jimmy Buffett to Pat Buchanan to Marilyn Manson and Thompson's two wives, son, and longtime personal assistant, more than 100 members of Thompson's inner circle bring into vivid focus the life of a man who was even more complicated, tormented, and talented than any previous portrait has shown. It's all here in its uncensored glory: the creative frenzies, the love affairs, the drugs and booze and guns and explosives and, ultimately, the tragic suicide. As Thompson was fond of saying, "Buy the ticket, take the ride."
