The Succubus' Sub by John Dylena - goodreads.com Succubus certainly measures up to these standards. Our hero, Ian, is a quality tester for a new technology in an online RPG in which he is asked to play the evil Warlock class. Warlocks bind demons to themselves for power and Ian quickly finds out that he can have his very own succubus if he gathers enough "souls" and binds her with what is ...

Amazon.com: Customer reviews: Succubus Okay, yes, it's about a "succubus", which means I have, perhaps, reached a new low. HOWEVER, this particular succubus at one point randomly decides to go to a Werner Herzog movie to find a pretentious asshole to kill for Satan. So, you know. Perhaps not such a bad read after all. I can't wait for the sequel.

Who Knew An Angel Could Get A Girl In So Much Devilish Trouble? Jackie Brighton woke up in a Dumpster this morning, and her day has only gotten weirder. Her familiar B-cups have somehow become double Ds, her sex drive is insatiable, and apparently she had her fi rst one-night stand ever...with a fallen angel. All she remembers is gorgeous Noah's oddly hypnotic blue eyes...and then a dark stranger whose bite transformed her into an immortal siren with a sexy Itch. With help from Noah, Jackie begins to adapt to her new lifestyle -- until she accidentally sends Noah into the deadly clutches of the vampire queen and lands herself in a fi erce battle for an ancient halo with the queen's wickedly hot righthand man. Who just happens to be the vampire who originally bit her. How's a girl supposed to save the world when the enemy's so hard to resist?

My name's Noah Kilmartin. I'm from Ruddock, Ohio, and I'm absolutely, 100% unqualified to save the universe from the slavering demonic hordes of the super evil bitch queen Lilith. Too bad nobody asked my opinion. All I've got to do is pass five lethal trials that'll prove I'm the universe's last chance at salvation. To do so I'll have to lean hard on those three years of Okinawan jiu-jitsu classes I took in highschool, learn to wield my new magic sword, and oh yeah - bond with five companions whose job it'll be to keep me alive in the process. Piece of cake. Right? Warning and minor spoilers: "The Five Trials" is an 18+ book intended for mature readers. It contains copious amounts of graphic sex, medieval violence, and dark themes.

"Sleek, sexy, and fun."—Susan Sizemore, author of Primal Desires After three thousand years of one-night stands, a girl just wants a little more. Working for Satan is a hot gig. The Devil really does wear Prada, and Lily can sport all the dazzling fashion she desires, eat all the fabulous food she craves, and hang for all eternity with her three demon girlfriends. But serving up bad boys to the fiery pits of Hell is just getting . . . lonely. Lily gives the jerks, the creeps, and the liars the best (and last) night of their lives, but she's tired of waking up to a pile of ashes. She wants a guy who will stick around. But a mysterious man is turning up the heat . . . Nathan Coleman is a devilishly handsome, laid-back P.I. who wants to ask Lily a few questions about a missing man. But someone—or something—wants Lily and her friends dead, and Nathan seems to know more than he'll admit to. Can a sweet-talking mortal and a girl from Hell find true love?

WHEN YOUR JOB IS DISPATCHING CREEPS TO THE HEREAFTER, A GOOD MAN IS HARD TO FIND. Lily loves working for Satan. Being one of Her Chosen means a gig filled with fashion, food, and the best supernatural gal pals a succubus could imagine. Still, being dumped by the first mortal she'd fallen in love with in centuries has put Lily in a serious funk. IF THINGS GET ANY HOTTER, LILY MIGHT GET BURNED . . . Nathan Coleman bolted because he couldn't handle Lily's inner demon, but blond, buff, blue-eyed Marten is a delicious distraction, and he's one of her own kind. Only Lily's not sure she can trust him—especially when her best friend's demon boyfriend is kidnapped, the ranks of the Hierarchy of Hell are gunning for her downfall, and Lily's dashing P.I. beau is back on the scene, rekindling flames. Two men, too much temptation, and assassins closing in—if Lily survives, who claims her heart? "Sleek, sexy and fun." —Susan Sizemore, author of Primal Desires

Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is. . . It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one—and fast, because soon, Doug's life won't be the only one on the line. . . "Compulsively readable." -Rachel Caine "No other succubus will do!" -Vicki Petterson "A delicious treat for Georgina fans!" -Kat Richardson "If damnation is this fun, sign me up!" -Lilith Saintcrow

The long awaited sequel to 'Amber's Erotic Possession' Lilith, The Succubus Queen has possessed Amber

Being a succubus sounds pretty glamorous. Shape-shifting, killer wardrobe, what's not to like? But Georgina Kincaid's life gets complicated when an unknown entity "helpfully" begins killing her immortal adversaries.

In Georgina Kincaid, succubus and she-demon, #1 New York Times bestselling author Richelle Mead has created one of her most enticing characters. But with a shot at love, and maybe even redemption, is the ultimate seductress finally going soft? Like hell she is. . . Georgina Kincaid has had an eternity to figure out the opposite sex, but sometimes they still surprise her. Take Seth Mortensen. The man has risked his soul to become Georgina's boyfriend. Still, with Lucifer for a boss, Georgina can't just hang up her killer heels and settle down to domestic bliss. In fact, she's being forced to transfer operations. . . to Las Vegas. The City of Sin is a dream gig for a succubus, but Georgina's allies are suspicious. Why are the powers-that-be so eager to get her away from Seattle—and from Seth? Georgina is one of Hell's most valuable assets, but if there's any way out of the succubus business she plans to take it—no matter how much roadkill she leaves behind. She just hopes the casualties won't include the one man she's risking everything for. . . Outstanding Praise for Richelle Mead "The obvious heir to the Twilight throne." —The Dailybeast.com "This is one of those series I'm going to keep following." —Jim Butcher on Succubus Blues

A novella sequel to "The Succubus Apprentice" that is the first part of the coming novel "Succubus Schemes." The further adventures of the succubus Helen and the red headed mage Amy as they have finished their respective apprenticeships and are now forces to be reckoned with. Still even with their new skills and powers they can't help but get enmeshed in the schemes of a dark elf and dryad who rule the supernatural community in New York City.

Book 2 of the Telepathic Clans Saga, the sequel to the multiple 5-star reviewed The Succubus Gift. It's not easy being a succubus. Brenna O'Donnell and Rebecca Healy continue their integration into the Clan. Learning more about their Gifts and always seeking someone who will love them. After a crash course in learning about her genetic heritage, Brenna O'Donnell has discovered what it really means to be a succubus and has learned to embrace her strange Gift. Her major concern is whether Collin will accept her for what she is. As she adjusts to telepathic society, others in the Clan have plans that will strip the last of her freedom. The social season is around the corner, including events that Brenna never imagined in her wildest dreams. The succubi, representatives of the Goddess on earth, are at the center of an ancient worship. And if a girl is going to be the center of attention, then obviously she needs a new dress. Between the romance and glistening balls of the Clan's social events, Brenna and Rebecca discover life is not secure. Telepaths from other Clans are kidnapping young girls and selling them into slavery. A continuation of what one reviewer called an, "... utterly heart stopping onslaught of sex, violence and paranormal abilities ..."
