fractured fairy tale planning is universally compatible past any devices to read.

Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

Fractured Fairy Tale Planning

Using what they've learned, have students create their own fractured tales. Have each student select a favorite fairy tale. Set aside a certain amount of class time and ask students to start twisting their tales! They will rewrite their chosen fairy tale, giving it unique twists. Have students invent new titles for their tales — using the original title as a guide.
