Starting off right in contracts (Book, 2014) [WorldCat.org]

The most basic contract right is the right to have all parties involved deal fairly and in good faith in the agreement. This concept is known as the good faith and fair dealing requirement and is implied in every contract.

Contract Rights | LegalMatch

Contractual rights are the set of rights guaranteed whenever people enter into a valid contract with one another. Contract rights usually involve business matters, including the provision of products and services. However, they can also involve other types of subject matter. Examples of common types of contract rights may include:

What Are Contractual Rights? | LegalMatch

For the first 30 days, new employees must be employed under terms consistent with the collective agreement, where there is a collective agreement in place. An employee and employer may agree on additional terms that are more favourable than the terms specified in the collective agreement.

Employment agreements » Employment New Zealand

A contract gives both you and your employer certain rights and obligations. The most common example is that you have a right to be paid for the
